

IMPORTANT

I DON'T NEED THEORY! *By law, our school must teach and assess theory. You have to prove you know the things. This is a condition of us being a licensed school.*

I NEED NO LESSON! *If you do not have previous experience you are required to have a lesson to start.*

I DON'T NEED A PRACTICE DRIVE! *We need to see you practice to make sure you will be ready for the test.*

JUST LET ME DRIVE! *By law, our school must teach and assess theory before you can do the practical drive assessment.*

I SHOULD HAVE PASSED! *You must get EVERY part of your drive correct, as your safety and the safety of the community needs you to be a good driver.*

I CAN'T COME TODAY - WHY CAN'T I REBOOK FOR TOMORROW? *If you need to cancel, we will try and book you in as soon as possible. Please understand, if there are no times available, there is nothing else we can do at that time.*
